

The Ministering Mother

Part Two

*Before you begin your lesson prepare your heart in prayer.
Ask the Lord to open His word to you, to make you teachable and to
help you understand and apply the Scriptures to your own life.*

1. Read Proverbs 22:6. Make this verse personal with your child's name.

"Train up _____ in the way (s)he should go, and when
_____ is old (s)he will not depart from it."

2. Each child is different; therefore, we train each differently according to how God has gifted them and how they respond because of their unique personality.

A. On a separate piece of paper list as many positive characteristics you see in each of your children.

B. Seek the Lord as to how you can help your child grow in these areas and how you can encourage them.

C. On a separate piece of paper list what might be some problem areas in each of your children's lives.

D. Seek the Lord as to how you can steer or train your child to grow out of these problem areas.

3. Spend time with each of your children putting into practice the things the Lord has showed you.
